Chris Zirzow, Vice President of Pharmaceutical Alliances at A-S Medication Solutions, LLC, is the clinical pharmacist who acts as a liaison between our physicians, regulatory, production, sales and customer service departments, so she is always up-to-date on the happenings in the medical industry.

New: Mail Order Feature!

Our medication dispensing solution, PedigreeRx Easy Scripts, can now handle mail order! Patients will have the ability to *choose* WHERE they want their prescriptions refilled:

- At the physician's office
- Delivered straight to their door at home
- At a local pharmacy

Contact our CEO, Walter Hoff, for more information about this new feature: **847-990-4615**.

New Products Offered (December 2010 - January 2011):
